Up to 82 miles: Union Point to Athens and back: <https://ridewithgps.com/routes/49474439>

Gravel Routes*:

For those with an adventurous spirit, two gravel rides are back by popular demand!

- 26.7 miles: Union Point to Maxeys & Back -- <https://ridewithgps.com/routes/43303050>
- 67.8 miles: Union Point to Crawford & Back -- <https://ridewithgps.com/routes/45393614>

***Gravel rides are self-supporting, which means there will not be vehicle support. It will be critical to have the route on your computer or a buddy with the route, and to carry tools should you need repairs.**

The routes are as close to Georgia Highway 77 as possible. The 68-mile round trip Union Point-Crawford route has approx. 2 miles of asphalt.
